The Wakefield Board of Health is awaiting shipment of the Seasonal and H1N1 flu vaccine allotment. Once received Flu Clinics will be scheduled. A Flu Clinic Hot Line has been established for Wakefield and Melrose residents. The hot line number is 781-979-4127. This hot line is updated as information becomes available. You are encouraged to check it periodically to see when and where clinics will be held. Information on clinics will also be posted in the local newspapers, on the Board of Health website at [wakefield.ma.us](http://wakefield.ma.us), and on the Wakefield cable channel (WCAT).
