- b) Petition for a variance shall be filed in the same manner as described under Section 10.H.5.d. hereof.
- c) The decision of the Board of Appeals shall be made within 100 days of the filing of the petition. The time period for the holding of the public hearing is inclusive of the 100 day period.

- e) If the Board of Appeals fails to act within the specified time period, the petition shall be deemed to be a grant of the relief sought.
- f) The Board of Appeals may impose conditions, safeguards and limitation both of time and of use, including the continued existence of any particular structures but excluding any condition, safeguards or limitations based upon the continued ownership of the land or structures to which the variance pertains by the applicant, petitioner, or any owner.
- g) If the rights authorized by a variance are not exercised within one year of the date of grant they shall lapse and may be reestablished only after notice and a new hearing pursuant to this section.
