Re: Unibank system upgrades

Please be advised that the Town's current online bill payment partner, Unibank Government Banking, has notified the Town of a pending upgrade to their UniPay online payment product. The vendor states that this "comprehensive" upgrade will be implemented in the spring of 2009.

Among the improvements included in this upgrade is the support for web browser platforms other than Microsoft Internet Explorer. Residents will soon be able to use other popular web browsers (e.g. Mozilla Firefox, Safari, Opera, and Google Chrome) to process their online bill payments.
