

FIELD PERMITS

Softball, baseball, and soccer fields are available on a very limited basis by obtaining a permit from the Recreation Office. Wakefield sports fields are used almost exclusively by local sports organizations, which carry a very heavy schedule. If you wish to request a permit, please do so in writing, listing your name or organization, the field you would like to use, and the dates and hours of your event. Please send your request to: Recreation Department, One Lafayette Street, Wakefield, MA 01880 at least two weeks in advance of the event. Call 781-246-6389 for more information.
